

# OVERLIFE

**OVERLIFE** universal Emergency Charger is universal for all you need to keep your iPod™, mobile phone, PDA, Sony™ Reader, Nintendo DS Lite™, Sony PSP™, digital camera etc charged and at the ready OTG (On The Go).

It can be charged from any standard USB port and recharge your mobile gadget again and again (and again) wherever you are.

- High capacity Lithium-ion rechargeable battery pack style
- Charge anywhere, recharge anything - standard USB input and output
- Inter-changeable connector heads charging different mobile phones, MP3/MP4 player, iPod™, iPhone™, PSP™, NDSL™ etc
- Power indicator LED shows battery capacity level.
- Impressive 2500mAh storage (recharge your devices and gadgets several times)
- None memory effect, short circuit protection
- Powerful power supply is enough for even the most power-hungry mobile devices.

## Products features

**Battery Type:** Lithium-ion polymer rechargeable battery

**Capacity:** 2500mAh

**Input Voltage:** AC 100V-240V/50Hz-60Hz DC 5V / 1A

**Output Current:** 1000mA (Max)

**Output Volts:** 5.4V (+/-0.2V)

**Output Current:** 1000mA (Max)

**Charging time:** 3 ~ 3.5 Hours.

**Cycle Life:** At least 500 times

**Operating Temperature:** -10°C - 40°C

**Storage and Transportation Temperature:** -20°C-50°C

**Dimension:** 92.5 \* 57.3 \* 13.8 mm

**Weight:** 80g

## Capacity parameters

DEVICES	Voltage capacity	Original battery	Overlife
Mobile phone	3.7V/700mAh	72 H	257 H
PDA	3.7V/1000mAh	36 H	90 H
Digital Camera	3.7V/800mAh	4 H	12.5 H
iPod™	3.7V/500mAh	4 H play time	20 H
iPhone™	3.7V/1400mAh	8 H Talk time	53 H
MP4	3.7V/1000mAh	3 H	7.5 H
PSP™	3.6V/1200mAh	10 H	20.5H
NDS Lite™	3.7V/1000mAh	5 H	12.5 H
NDSi™	3.7V/840mAh	4.5 H	13H
Diskman	3.0V/600mAh	3 H	12.5H
